

SAFE AND RELAXING HOLIDAYS

We will reopen with the awareness that the safety of our guests and employees is our priority.

Pinhal da Marina is different and adapted to these new times

All accesses are direct into the apartments and open to the gardens with no common indoor areas;
All apartments have large balconies and terraces and several of them with direct access to the gardens;
Large areas of private gardens inside Pinhal da Marina are available for the exclusive use of the guests.

At the restaurant, for your convenience

More space between the tables inside the restaurant and on the terrace have been created to ensure the safety distancing measures;
For lunch and dinner, we reinforced take away service: you can order from the apartment, book an hour and the restaurant will let you know when is ready to be picked up. Menus are available in the apartments.
Breakfast will be a la carte with previous reservation: to have at the restaurant at the scheduled time or to take-away. Your choice!

Holidays with all the comfort and safety

Controlled check-in and check-out with limited number of persons at the reception.
All apartments are cleaned by our staff, properly protected and trained for this new reality. We suggest our clients to confirm the cleaning hours at the Reception allowing these services to be made with the required social distancing measures.
Hand gel dispensers are available at the entrance of the reception and restaurant for the use of all guests and staff.
